

# Tanzanear Appeal

**Christmas** is a special time and this year we want to give the children at Buguruni School for the Deaf beautiful and bright school rucksacks.

We have had a new school logo designed showing caring hands encircling each precious child, each one a little star! In each rucksack the children will receive new exercise books, pencils and rubbers but all this costs money. So this year we are offering you the chance to **"buy a bag for Buguruni"** and bring the children delight and pleasure at this giving time of the year. For the cost of a stocking filler you can make sure that a school child has his or her very own, beautiful school rucksack, **all for just £5**. Please see overleaf for ways to donate to our very special **Tanzanear Christmas Appeal** and **buy a bag for Buguruni**.

*Thank you!*
